

b. Retail Analysis Report on YRDB Website

The Retail Analysis report is now on the www.yorkeregion.com.au website under the ESF Network documents and publications section.

c. Yorke Project Options

The Network is still investigating youth oriented projects. Janette Hirschausen commented that the current Hospitality project brief addresses the issue of servicing youth by explaining the participant criteria in detail.

d. Indigenous Project Travel Costs

Janette Hirschausen said she had been able to source funds from another organisation to fund the travel costs.

4. **2007/08 Project Update**

Bridget Sara reported that there are still seven active projects from 2007/08. The Work to Work – Adelaide Plains project has been finalised and the Work to Work – Yorke Peninsula is just waiting on audited statements to be received. Peter Egel commented that the Community Services project is progressing well. David Hutchinson said that the Equine project will begin on October 2nd. The Retail project participants are having their graduation on October 25th.

Moved: Bridget Sara

Seconded: Peter Stockings

That the Business Ticket to Train project is extended until December 30th 2008.

Carried

ACTION: ***Bridget Sara to develop a media release and put advertisements in the local newspapers.***

5. **2008/09 Project Update**

a. Work to Work Project

Moved: Bridget Sara

Seconded: Peter Egel

That the ESF Network ratify the ESF executive and YRDB executive decision to fund District Council of the Copper Coast and Employment Directions to deliver the Work to Work project in 2008/09.

Carried

b. Hospitality Tender Process

Bridget Sara advised that the Hospitality project was currently out for tender and tenders must be received by COB Tuesday 23rd September 2008.

c. Reallocation of Community Services Project Funds

The ESF executive decided that due to funds being available through the Productivity Places Program and the 2007/08 Community Services project currently being delivered that the 2008/09 Community Services fund should be reallocated to deliver aboriginal projects.

Moved: John May

Seconded: Janette Hirschausen

That the \$25,000 from the project O1 S1 – 1.1 Community Services should be reallocated towards aboriginal projects.

Carried

d. Transport Multi-skilling

John May has declared his potential conflict of interest with Peter Naughton (the training provider delivering the Cert 2 in Civil Construction through the Productivity Places Program with Complete Personnel) to the Network Executive and DFEEST. John May also declared the conflict of interest with the Network. No funds have been granted to Peter Naughton's company to date and if any future funding is discussed it will occur with Bridget Sara and Peter Stockings.

The Network discussed options for delivering the Transport Multi-skilling project. The project will be investigated further.

e. Building and Construction

John May discussed that the 2007/08 Building and Construction project will not need stage two funds.

Moved: John May

Seconded: Peter Stockings

That the Network allocates \$9,600 from the project O1 S1 – 1.4 Building and Construction – Part 2 to TAFE SA to deliver an Engineering project.

Carried

6. Any Other Business

a. Aboriginal School Based Apprenticeship

John discussed the structure of the school based apprenticeship program and sort endorsement from the Network to continue investigating the project.

ACTION: John May to continue to work with interest people to progress the idea.

b. SA Works State Forum

Bridget Sara advised that the ESF Network would fund five network members to attend the 2008 SA Works in the Regions Forum and Awards Dinner on November 6th.

ACTION: Network members to email Bridget if they would like to attend the forum and/or dinner.

7. Next Meeting

Wednesday 15th October 2008, 10.30am
TAFE SA, Kadina Campus, Doswell Terrace, Kadina

8. Close

Rosemary Goode closed the meeting at 3.20pm.
